

Vaccine Distribution

(FY2021 Appropriation Act - Public Act 2 of 2021)

September 30, 2021

Sec. 256. (1) *The department of health and human services shall report on a weekly basis to the senate and house appropriations committees, the senate and house fiscal agencies, the senate and house policy offices, and the state budget office on all of the following:*

(a) *The metrics used for calculating vaccine distribution to local health departments and enrolled providers and an analysis by county that shows how allocations were calculated.*

(b) *The number of vaccines distributed during the previous week to each local health department and enrolled provider. The number of vaccines distributed under this subdivision must be listed for each local health department and for each enrolled provider.*

(c) *The estimated number of vaccines to be distributed during the current week to each local health department and enrolled provider. The estimated number of vaccines to be distributed under this subdivision must be listed for each local health department and for each enrolled provider.*

(d) *The estimated number of vaccines to be distributed next week to each local health department and enrolled provider. The estimated number of vaccines to be distributed under this subdivision must be listed for each local health department and for each enrolled provider.*

(e) *The number and estimated percentage of individuals vaccinated, categorized by each vaccination phase.*

(f) *The number and estimated percentage of individuals residing or working in nursing homes that have been vaccinated.*

(g) *The number and estimated percentage of individuals 65 years of age and older that have been vaccinated.*

(h) *The total amount that has been expended from the funds appropriated in part 1 for federal COVID immunization and vaccine distribution and administration. The amount described in this subdivision shall be broken down by state general funds and federal funds.*

(2) The reports required by this section must be made accessible to the public by placing the reports on an internet site.

Vaccine Distribution

The weekly report on vaccine distribution required by Sec. 256(2) of 2021 PA 2 may be viewed at any time at [Coronavirus - COVID-19 Vaccine Dashboard \(michigan.gov\)](https://michigan.gov/coronavirus).
